SPRING TRAINING

At League Park Being Handicapped
By Cool Weather—News of the
Players Who Are Trying Out
With the Local Club.

With cool weather since spring training has begun here the players are finding it rather hard to round into shape. However, the boys are working some of the stiffness from their joints and are hoping that the weather will become more reasonable soon. The boys are enjoying a stiff workout every afternoon and will be in shape when the bell tops.

The newest arrivals to try out with the local baseball team are Mueller and Einsfeldt, catchers; Singleton and Freeh, pitchers; Anders, Hibner and Albright, infielders. Shortstop Perkins, who played last season with the Maysville Regulars, is also trying out for the shortstop position, but it is not thought that he will be able to beat Kelly out of the job. Perkins handles himself nicely, both in the field and at the bat, and should have no trouble in catching on with one of the other teams in the O. S. L.

Manager Jones received word from Shortstop Kelly Tuesday saying that he would not be able to get to Maysville before Saturday. Kelly was one of the most popular members of last year's team and the fans are anxious to see him in a Maysville uniform again.

Outfielder Tinnin, who was a member of last year's team, is showing up well in practice. All that the young fellow needs to make him a first-class ball player is a little more aggressiveness.

Manager Jones did the first "canning" of the season Tuesday when he released Catcher Maxey, Outfielder Hibner and Infielder Watson. None of the men showed any class and it was thought useless to carry them.

The fans can be assured of an exhibition game here Sunday. The Maysville Regulars will probably be the team that will oppose the Leagueurs but if not, some fast out of town team will be secured. It is thought that the strong Weidemann team of Newport will be the attraction for Sunday, May 7.

It will be known definitely by the latter part of the week whether or not Frank Emmer will be released by the Cincinnati club to Maysville. President Thomas M. Russell is making strong bid for his services and hopes to land him.

COMMENCEMENT SPEAKERS CHOSEN BY COMMITTEE.

Preparatory to the 1916 commencement of the Maysville High School, a committee composed of nine members of the faculty, appointed by Superintendent W. J. Caplinger, and nine members of the senior class, appointed by Class President James January, met at the High School Tuesday afternoon and appointed six members of the commencement program. Those thus honored were Misses Ruth Willett, Lucy Smith and Martha Lovel, and Messrs. William Soward, January January and Henry Shea.
Should two of the six named take the honors no change will be made; otherwise the two honor students will be placed on the program and two of these dropped.

WOMAN'S CLUB NOTES.

Let us show you how to do it economically.

CURTAINS---By The Pair or By The Yard

Even for a great deal more money it would be impossible to get anything prettier or in better taste than the attractive curtains by the yard or by the pair which we now have on special display. In the former line you will find countless fabrics from 15c to 75c yard. In curtains by the pair, 75c to \$10.00, you can select from a stock equally satisfying.

Cretonnes Are Supreme This Season

and we are told we have the largest stock in Maysville. Bright sunny styles, cool, quiet neutral tints. Floral, garden, shadow and forest patterns, all ready in this complete stock. 15c to 35c yard.

Speaking of Silks

Every one concedes the silk store of Maysville is Hunt's. The silks you want are here. Not in restriction but in profusion. When you see our stock you'll wonder there is so much talk about a silk famine. Some new arrivals in this department are japonica silkettes at 50c yard. White grounds with graceful floral designs in color accentuated here and there with just the right touch of black. These pretty fabrics are one yard wide and will make very dainty cool summer frocks.

FOR TIRED SCHOOL CHILDREN.

Boys and girls who have been bending over their desks for weeks and months, and often studying at home late into the night, get into a weak, nervous, run-down condition, and wise mothers will take the advice of our local druggist, Peccor Drug Company, and give such children Vinol, because it is a non-secret preparation which contains the three oldest tonics known, and is guaranteed to strengthen and restore health to weak, overworked, run-down people, and to cure chronic coughs, colds and bronchitis, or you can get your money back.

OF LOCAL INTEREST

Some People We Know, and We Will Profit By Hearing About Them.

This is a purely local event. It took place in Maysville. Not in some faraway place. You are asked to investigate it. Asked to believe a citizen's word. To confirm a citizen's statement. Any article that is endorsed at home is more worthy of confidence. Than one you know nothing about. Endorsed by unknown people. Mrs. Dora Mefford, Maysville, says: "I had been feeling poorly for some time before I knew that my kidneys were at fault. I was nervous and dizzy and my back and head ached. I rested poorly and mornings I was all tired out. I read in a local paper how a neighbor had been cured of kidney trouble by Donn's Kidney Pills. I used them and before long I felt stronger and better and I slept good at night."

CARLSBAD SPRINGS WATER BOTTLED UNDER SANITARY CONDITIONS.

The pure food and drug law passed by Congress in 1906 has accomplished wonders in eliminating many quack medicines and so-called mineral waters from the market.

The Government has inspectors who take up samples of drugs and waters and if they do not come up to certain standards as laid down by law, they are put out of business.

The Kentucky Carlsbad Springs Co. is trying to meet every requirement of the Government by installing modern sterilizing plant, filtering system, and in every way to do all in their power to see that every bottle of Kentucky Carlsbad water is placed on the market in perfect sanitary condition. Many druggists are selling waters bottled in Grant County to the public as being the same as Carlsbad because they pay less and their profits are greater.

Carlsbad water as bottled at Dry Ridge, Ky., is the only water bottled in Grant County under these sanitary conditions, coming from nature's laboratory at the depth of 1,100 feet, giving the most wonderful health-producing properties for all forms of stomach trouble, Bright's disease, diabetes, constipation, liver, kidney and bladder disorders, and by coming direct to the springs for the healing baths, every form of rheumatism is treated with remarkable success.

Kentucky Carlsbad Springs water is placed on sale at leading druggists in cases of three gallons to each case; also containing a bottle of concentrated Carlsbad water that can be used in extreme cases of habitual constipation. The Kentucky Carlsbad Springs Hotel Co. owns and conducts a hotel and sanatorium at Dry Ridge, Ky., where all diseases are treated as mentioned and absolute satisfaction is guaranteed to all patients. If you have never used Kentucky Carlsbad Water call on your agent whose name appears below and give it a trial. If it fails to do you good, your MONEY WILL BE REFUNDED. Write the Kentucky Carlsbad Springs Hotel Company, Dry Ridge, Ky., for information, rates and booklet.

See the sensational smuggling scenes and the work of the U. S. Secret Service officials, produced under the supervision of United States government officials. A powerful dramatic production by the noted American author, Rufus Steele.

WOMAN AVOIDS OPERATION

Medicine Which Made Surgeon's Work Unnecessary.

Astoria, N. Y. — "For two years I was feeling ill and took all kinds of tonics. I was getting worse every day. I had chills, my head would ache, I was always tired. I could not walk straight because of the pain in my stomach. I went to a doctor and he said I must go under an operation, but I did not go. I read in the paper about Lydia E. Pinkham's Vegetable Compound and told my husband about it. I said 'I know nothing will help me but I will try this.' I found myself improving from the very first bottle, and in two weeks time I was able to sit down and eat a hearty breakfast with my husband, which I had not done for two years. I am now in the best of health and did not have the operation." — Mrs. John A. Koehn, 502 Flushing Avenue, Astoria, N. Y.

Every one dreads the surgeon's knife and the operating table. Sometimes nothing else will do; but many times doctors say they are necessary when they are not. Letter after letter comes to the Pinkham Laboratory, telling how operations were advised and were not performed; or, if performed, did no good, but Lydia E. Pinkham's Vegetable Compound was used and good health followed.

If you want advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass.

"Tried Others—Back to Tuxedo!"

Say Dixie Railroad Firemen

Keeping the steam up in a fast locomotive is a man's job—and that's why the brawny railroad firemen of the South must have a man's tobacco to keep their own steam up.

They smoke Tuxedo because it's the only tobacco that thoroughly satisfies and refreshes them—and they can smoke it all day and enjoy it every minute.

Note how enthusiastic these men are about Tuxedo—especially those who have tried other brands. They always come back to Tuxedo.

Small wonder! For there's no other tobacco like it.

Tuxedo is made of the mild, sweet top and center leaves of the Burley tobacco plant—no strong, oily bottom leaves such as are used in most pipe tobaccos.

And the great *original* "Tuxedo Process," which absolutely removes all the bite, makes Tuxedo the mildest, most enjoyable of smokes.

That "Tuxedo Process" has 'em all guessing. No other tobacco can use it—but plenty try to imitate it.

And as a lot of these railroad firemen have discovered for themselves, not one of the imitations begins to equal the *original*.

G. G. WILSON
Fireman on the Southern R. R.,
Knoxville, Tenn.
"All kinds of weather look alike to me, when TUXEDO goes along with me. It's the one best tobacco for a man with real work to do. TUXEDO for mine always." G. G. WILSON.

R. E. CARLETON
Fireman on the Norfolk & Western Ry.,
Radford, Va.
"I have been firing an engine for 4 years on the Norfolk and Western Ry. TUXEDO is my favorite smoke; I have tried the others, but none of them compare even favorably with TUXEDO. I cheerfully recommend this brand to all of my friends and acquaintances." R. E. CARLETON.

A. L. WELZ
Fireman on the L. & N. R. R.,
Lexington, Ky.
"The fire that a fireman enjoys is the TUXEDO fire. It is the only tobacco I have ever tried that does not hurt me. I can smoke TUX all day and feel fine." A. L. WELZ.

E. M. JONES
Fireman on the L. & N. R. R.,
Lexington, Ky.
"When I near my run I hear the 914 begin to puff and blow TUX-E-DO, TUX-E-DO, TUX-E-DO. It makes me think of happy times for my pipe puffs the same. I have been a constant user of TUXEDO for the past three years and nothing can take its place." E. M. JONES.

M. B. SMITH
Pres. and Sec'y B. L. F. & E. No. 675,
Huntington, W. Va.
"There are many so-called smoking tobaccos to be found on the market and I have tried them all, but to me there is only one tobacco and that one is TUXEDO, no others can hold a candle to it. Every time I can say a good word for TUXEDO you can bank on me being an earnest booster." M. B. SMITH.

S. S. SHAWL
Fireman on N. C. & St. L. R. R.,
Nashville, Tenn.
"Maybe I could fire my engine just as well on some other tobacco besides TUXEDO, but I don't believe it. TUXEDO for mine every time." S. S. SHAWL.

JOHN STERCHI
Fireman on the Southern Ry.,
Chattanooga, Tenn.
"It seems to help me hustle to have a pipe between my teeth, and TUXEDO is the only tobacco I can smoke all the time and not bite my tongue or make my throat dry." JOHN STERCHI.

JOHN GABLE
Fireman on the L. & N. R. R.,
Louisville, Ky.
"For real enjoyment, give me my pipe and a can of TUXEDO. It is the only tobacco that fills the bill and does not bite my tongue." JOHN GABLE.

JOHN MURPHY
Fireman on the L. & N. R. R.,
Lexington, Ky.
"TUXEDO is better than any other tobacco I have ever tried. I use it all the time and it does not bite my tongue. TUXEDO is the only tobacco, I say." JOHN MURPHY.

E. J. MITCHELL
Fireman on the L. & N. R. R.,
Nashville, Tenn.
"I make my living firing on engine and get my chief pleasure firing my pipe with TUXEDO. My job comes first, but 'TUX' is a mighty close second." E. J. MITCHELL.

J. D. PACK
Fireman on N. C. & St. L. R. R.,
Nashville, Tenn.
"Nothing suits my taste like TUXEDO. I notice a lot of railroad men who used to smoke it are going back to it again. They can't find anything as good as 'Tux.'" J. D. PACK.

JNO. T. BABB
Fireman on N. C. & St. L. R. R.,
Nashville, Tenn.
"For the past few years I've been smoking a number of kinds of tobacco, but can't find anything I can get as much good out of as TUXEDO. So I'm smoking it again and I'm going to stick to it." Jno. T. BABB.

W. J. HUTTON
Fireman on the N. C. & St. L. R. R.,
Nashville, Tenn.
"I've tried a dozen kinds of tobacco but nothing tastes so good or braces me up after a long run like a pipe of TUXEDO." W. J. HUTTON.

L. A. HARRIS
Fireman on N. C. & St. L. R. R.,
Nashville, Tenn.
"A fireman's job is no joke; he needs a tobacco that's got some huaste in it. I've tried 'em all and come back to my first love—TUXEDO. There's nothing like it." L. A. HARRIS.

M. L. STANSBERRY
Fireman on the Southern R. R.,
Knoxville, Tenn.
"A man with a job as hard as a fireman's can't get any comfort out of a tobacco he's afraid to smoke all the time. I smoke TUXEDO from morning till night and it never bites my tongue or hurts me in any way. The more I smoke the more I enjoy it." M. L. STANSBERRY.

J. C. DILLINGHAM
Fireman on the L. & N. R. R.,
Nashville, Tenn.
"I got the idea that TUXEDO was a kind of a highbrow tobacco and I thought I could find something better for a hard worker like me. I was mistaken—nothing but TUXEDO for me now." J. C. DILLINGHAM.

J. D. FULLER
Fireman on the N. C. & St. L. R. R.,
Chattanooga, Tenn.
"I know four or five firemen who, like myself, are smoking TUXEDO again after trying other tobaccos. It's the sweetest and cheapest smoke money can buy." J. D. FULLER.

W. G. MARTIN
Fireman on the Chattanooga Belt,
Chattanooga, Tenn.
"I can't pay attention to my engine and boiler with lighting a pipe every few minutes. TUXEDO burns sure and steady and gives me just the tasty, refreshing smoke I'm looking for." W. G. MARTIN.

DREW MORRIS, JR.
Fireman on the Southern Ry.,
Knoxville, Tenn.
"You certainly have attained the highest degree of perfection in the manufacture of TUXEDO. I have smoked practically all of the so-called 'just as good' brands, but I invariably go back to my pet brand, that is packed in the Green tins, it is the most satisfying smoke that I have ever found." DREW MORRIS, JR.

H. G. KITCHENS
Fireman on the W. & A. R. R.,
Chattanooga, Tenn.
"My job is about the thirstiest kind of work a man can do and a tobacco that dries and parches the throat is something fierce. TUXEDO doesn't and that's why I smoke it." H. G. KITCHENS.

GEO. J. SCHRECK
Fireman on the L. & N. R. R.,
Louisville, Ky.
"I smoke TUXEDO all the time and find it more satisfactory than any brand of tobacco that I can find." GEO. J. SCHRECK.

D. R. BRAMEL
Fireman on the L. & N. R. R.,
Paris, Ky.
"You would not ask me about TUXEDO if you could see me go after it after firing a trip on the 1-14 for Rice." D. R. BRAMEL.

CANTATA MAY BE RENDERED AGAIN.

Owing to the fact that a large number of persons were unable to get into the Third Street M. E. church Sunday night to hear the beautiful Easter cantata which was rendered, there have been numerous requests from the public that the cantata be repeated. The pastor, Rev. J. M. Litteral, and choir leader, J. H. Richardson, will talk the matter over and it is quite probable that the beautiful Easter story will be sung again next Sunday afternoon.

HEAVY ADVERTISING FOR POPULAR TOBACCO.

In this issue of The Ledger and simultaneously in a large number of southern newspapers, there appears a very striking and unusual full page advertisement for Tuxedo smoking tobacco. This advertisement contains the endorsement of twenty-three railroad firemen who smoke Tuxedo and prefer it to all other tobaccos. It is but one link in a strong advertising campaign now being waged on behalf of Tuxedo all through the south.

Tuxedo, always a popular brand in this part of the country, has received fresh impetus from this vigorous advertising and sales campaign, carried on with characteristic energy and enthusiasm. As a result it is announced that Tuxedo now enjoys a larger southern sale than at any other time in the history of the brand.

The advertising being done in the newspapers not only strongly features the endorsements of well known smokers, but explains fully the reasons for the "mildness," "sweetness" and "unique," "non-biting" qualities of Tuxedo—the characteristics to which the wide popularity of the brand is due.

DR. HAMILTON HOLT
